Hall-Mills Investigation

Continuing on above, as per instructions  
Operative arrived at the Children's play house in the  
rear of Mrs. Hall's home at 11:25 P.M. and took up watch.

At 3:40 A.M. a door was closed, evidently  
at Mr. Carpende's home, as he was going fishing. Oper-  
ative remained in the play house until 5:20 A.M. and as  
no one appeared, discontinued. Returned to town.

Respectfully submitted:
